Dear Outdoor Booth Participant:

Please find enclosed a copy of the rules and regulations, a booth application and agreement form for the 2024 Carbon County Fair. We would like to invite you to "show your stuff" during the week of August 5th, through August 10th, 2024.

We have implemented some new rules this year, so please read through them closely. This is done in an effort to make the week go smoothly for everyone.

We will once again be having two rows of Outdoor Vendors, running East and West to create the Midway like we did last year. The South side will have plug ins, and the North Side will be able to plug into the generators like we had in 2023. There was a great response to the set up last year, so we are trying to keep proceeding with that improvement! Those of you who participated last year, thank you for your part in that! It got rave reviews from the public! There will be no trailer parking on the East end of the Multi Plex. That will remain handicapped parking.

As in the past, it is a first come, first serve basis on assigning the spaces. Please make sure you send **two checks – one for the rent of outside space (10'X20), with electric, with food, \$300.00 or outside space, non- food, no electric, \$150.00, and a second check for the deposit of- \$100.00**, which will be returned upon the close of fair as stated in the "Rules and Regulations".

Set up will be Monday, August 5th from 8:00 a.m. to 10:00 a.m. only. No exceptions. Booth dismissal is Saturday, August 10th after the Demolition Derby is over. Leaving early will result in losing your deposit.

If you have any questions, please don't hesitate to call me at the above number. I hope to hear from you very soon.

Sincerely,

Julie Webb
